

May 31, 2020

Dear CPJHSA members,

We missed you during the COVID-19 shut down, but we are excited to cautiously resume horse showing following the guidelines and regulations set forth by USEF and the federal, state and local governments.

As we return to competition, the board members are working diligently to make adjustments and modifications to best serve you. The first change is a presidential modification ***to extend the CPJHSA year from September 30 to November 30, 2020***. Therefore, points will count at shows held during October and November.

More updates will follow shortly regarding changes and adjustments to the benefit show, medal finals, and banquet.

We are looking forward to our first show back. Please check horseshowing.com and individual show websites for detailed information about COVID-19 policies and rules.

Best Regards,

Candi Becker

CPJHSA President
