

CPJHSA SHOW RULES & CLASS SPECIFICATIONS

December 1, 2018 thru September 30, 2019

Revised 02/2019

The Association offers year-end awards for high score points won in each of the sections recognized by the Association. The qualifying show year is from December 1st through the CPJHSA Benefit Horse Show. The age of an individual on December 1st of the current show year will be maintained throughout the entire competition year. Only points from **a member's top 15** recognized CPJHSA horse shows would count. It is the member's responsibility to keep track of their own points and verify their standings with the CPJHSA secretary. As a courtesy, CPJHSA posts point standings periodically on the association's web site at www.cpjhsa.org.

All points are calculated using the current USEF "C" rated Hunter Section Increment System chart and are determined by the number of entries shown in the first performance class of the section. Classic points will not be awarded in a non-section classic class, in both the hunter and jumper sections.

Deadlines for Reporting Point Discrepancies: Any point questions should be reported as soon as possible to the secretary at cpjhsa@hotmail.com.

Shows posted on the website between December 1st and April 30th must have point discrepancies reported by May 21st or the points prior to April 30th will stand as is.

Shows posted between May 1st and the CPJHSA Benefit Horse Show must be reported within 8 days of the conclusion of the CPJHSA Benefit Horse Show, or the points through the Benefit Show will stand as is. Double points will be given at the Benefit show and shall only apply to classes. Champion and reserve points will be calculated according to USEF system.

CPJHSA members are entitled to earn points toward annual CPJHSA high score awards only after they have paid their dues and recorded their horses/ponies with the CPJHSA. The animal's owner, rider, handler, and the horse/pony must be registered with CPJHSA for the points to count. The year-end awards for any section, must have at least three qualifiers in that section to receive additional awards beyond the trophy and ribbon. Any tie for year-end awards will remain tied and equal awards will be presented.

All CPJHSA horse shows must be recognized by the USEF. All USEF rated sections must be conducted and judged according to current USEF specifications (National and Zone) and all non-USEF rated sections that are CPJHSA year-end award sections must be conducted and run under current CPJHSA specifications. As a CPJHSA member (owner, trainer or exhibitor), it is your responsibility to review the prize lists of member shows and compare the specifications. It is also the responsibility of each member to understand the specifications and eligibility

requirements for sections in which they intend on competing. **Riders/horses showing in any division for which they are ineligible WILL NOT receive CPJHSA points for any section at that show.** In the absence of USEF specifications, the following CPJHSA specifications must be used in order for the classes to count toward year-end awards:
